We do have a letter from Congressman Smith, requesting documents, and yes, Carolyn Levine is working on it so you can contact her directly.

Yes, but as it is they are all with R8 (identical requests from CNN to other Regions/HQ were consolidated into 2 requests and assigned to R8).

It is my understanding that we do have at least one Congressional request in from Lamar Smith and that Carolyn Levine is working on it. Should I coordinate directly with her?

Thanks,

Becky

Thanks Becky. Assume these will be assigned through normal processing?

Joyce and Roxanne – For your info, attached are 2 spreadsheets with info re: FOIAs received on GKM to date. We have consolidated 6 requests from CNN into 2, so with that we have 12 requests thus far. The first file is the basis FOIA info; in the second file, I've arrayed the pieces of the requests into broad categories for ease of discussion in moving forward.

Let me know if questions.

Thanks,

Becky
